AN APPEAL FOR AID.

Address Sent Out From the
Populist Headquarters.

CAMPAIGN MONEY IS NEEDED.

The Convention of St. Paul, Minn.
Persons Is Asked For and It Is Told
How to Get It to the Right Place.
(The Address Is Given on the At-
tached Circulars Against the Party.)

WASHINGTON, Sept. 9.—From the
People's headquarters Tuesday was
sent out to the public a long address and
appeal for aid. The address is signed
by Marion Butler, chairman of the
National People's party committee, and
J. E. Edgerton, its secretary. After
reviewing the history of the People's
party, its purpose and aims, the ad-
dress arraigns Cleveland's adminis-
tration in caustic terms. Referring to
Democrats who attended the Indian-
apolis convention it says:

"They have organized and are now
open and aggressive allies of gold
Republicans and with their money and
votes will do everything in their power
to defeat the will of the people by the
election of McKinley, whose nomi-
nation was dictated by, and whose ad-
ministration is engaged to a combination
of American and English monopolies and
plutocrats."

Continuing, the address tells of the
good that it claims has resulted from
the efforts of the People's party. It
says that every citizen who has the
good of the nation at heart should aid
in the election of officers not dominated
by monopolies. When a political party
accepts an enormous contribution from
corporations these corporations natu-
rally control that party and tyrannize
over the people. The People's party
committee would accept no money from
corporations. In conclusion the address
says in part:

"Therefore, in behalf of the people of
the United States, who produce the
wealth and pay the taxes, the People's
party national committee appeals to all
who are able and willing to do so to
contribute the sum of \$1 to our national
campaign fund. A prompt response is
urgently requested to enable us to pro-
secute a vigorous campaign in defense
of our homes and liberties, that are men-
aced by the combined plutocracy of the
Rothschild-Morgan-Hanna-McKinley
combination fighting us in the rear.
Four years more of gold standard and
monopoly rule, with falling prices and
shrinking values, and thousands of
mortgaged homes will be lost and thou-
sands more of our laborers will be with-
out employment. Plutocracy is desper-
ate and is determined to have a presi-
dent and congress of its own that will
increase and use the army to suppress
bread riots while gold grows dear and
human life cheap. Your national com-
mittee is doing the best it can against
rich and powerful combinations. If we
could have but 1 cent for every \$10 used
by the enemy we could accomplish their
defeat."

"Make this your business at once, see
your neighbors, try to get each one to
contribute at least \$1. Take up a sub-
scription in your community at once
and forward the amount with names of
contributors to M. C. Rankin, Terre
Haut, Ind., our national treasurer. Also
notify your national chairman at
Washington, D. C., of the amount thus
forwarded."

General Black Undecided.
CHICAGO, Sept. 9.—General John C.
Black will probably issue a letter to-
day declining the nomination for gov-
ernor by the gold standard Democrats.
In case the general declines the state
committee will select Judge Thomas A.
Moran, William S. Forman or Henry
Raab to make the race against Altgeld
and Tanner.

KILLED BY THE ENGINEER.
Trainrobber Shot While Preparing to
Load the Overland Express.

SACRAMENTO, Sept. 8.—An attempt
was made Saturday night to hold up the
overland express train at Webster, six
miles west of this city. As the train
approached Webster a man crawled over
the tundra and, covering the engineer
and fireman with a pistol, compelled
them to stop the train. The man guard-
ed the engineer while an accomplice,
who had been in waiting, started back
to rob the train.

Engineer English, seeing his captor
off his guard, shot in and ran the train
into Sacramento. A large force of men
are scouring the country in search of
the escaped robber.

The body of the trainrobber who was
shot was found lying near the track.
In his hand was grasped a loaded pistol.
The man's name is thought to be F. J.
Morgan.

MURDERED FOR HIS MONEY.

An Old Farmer Found Murdered by
the Headless Near His Home.

EXETER, N. H., Sept. 8.—A steam
Matthew Clark, an old farmer, was
Sunday found murdered lying by the
roadside near his home, a few miles
from here. His head was horribly bat-
tered, and he had evidently been mur-
dered for his money. There is no clue
and particulars are meager. Clark had
lived alone for years, and was well-
to-do.

AN EARLY SPEECH.

Bryan Talks at 9:30 in the Morning
at Prairie Junction.

OMAHA, Sept. 9.—Mr. Bryan began
his speechmaking yesterday morning at
9:45 at Prairie Junction, Ia. He had
retired late, but at nearly every station
through which the train passed crowds
had gathered and the nominee was
routed from his bed many times to shake
hands with the Iowans. At Prairie
Junction 500 of the residents had gone
to the depot before breakfasting to see
and hear the "Silver Knight of the
Platte." A baggage truck was placed
beside the car and Bryan said in part:

"When I started east I knew our peo-
ple out here were all right, but I did
not know how they would be down
there. I found, however, that they
were about as much stirred up as you
are. All over this country these who
toll and are engaged in product and in-
dustries are interested in having enough
money to do business with, and those
who have money instead of property
and want to make dollars rise in value
are opposed to it. We have a majority
of the people on our side."

The first crowd to greet the nominee
in his own state was at Plattsmouth,
where 500 Nebraskans greeted him with
hearty cheers and tooting horns. He
spoke briefly and was loudly cheered.

HIS SECOND HOMECOMING.

Bryan Greeted in Royal Style by His
Own People at Lincoln.

LINCOLN, Neb., Sept. 9.—The second
homecoming of Mr. Bryan after his
nomination was marked with enthu-
siasm and a large crowd of fellow citizens
flocked about the depot yesterday to
shake his hand and cheer for him.
There were about 5000 in attendance at
the train and two bands of music head-
ed by Democratic and Free Silver clubs.
Prominent citizens were there, and as
the nominee showed himself from the
car they took him in tow to his carriage.
Cheer after cheer went up and the
band came in with their share of noise.
The two silver clubs and the citizens in
carriages, headed by the bands formed
a procession which escorted Mr. Bryan
from the Burlington depot to his home.
There another crowd had gathered and
it was some time before the candidate
could get inside his house on account of
the daily occasioned by the shaking of
hands with those present.

An audience of 5000 people heard Mr.
Bryan in the afternoon. He spoke
from a stand erected on the north front
of the state capital. Over his head was
a large photograph of himself while in
many of the office windows of the build-
ing lithographic likenesses of his Re-
publican opponents, McKinley and Ho-
bert, looked down upon the crowd.
They had been placed there by some of
the Republican state officers who had
locked the doors of the rooms and taken
the keys away.

Mr. Bryan was cheered heartily when
he appeared on the stand, and made a
speech that pleased the crowd.

The continuous welcome given to Mr.
Bryan yesterday culminated in the
evening in a grand demonstration in
honor of his formal notification of his
nomination for the presidency by the
National Silver party.

Fusion in Missouri.

St. LOUIS, Sept. 9.—The Demo-
cratic central committee, by nearly a uni-
mous vote, has decided to fuse with the
Populists. A committee of three, with
Chairman Samuel Cook at its head, was
authorized to make all necessary ar-
rangements. It is probable that 15 Pop-
ulist electors will be taken off the ticket
and Democrats asked for the resigna-
tion of four to make room for the four
Populists.

Judge Earl Defeats Evans.

COLUMBIA, S. C., Sept. 9.—The early
return from the senatorial election yes-
terday indicates that Judge Earl has a ma-
jority of over 5000, thus defeating Gov.
Evans, who has been actively champi-
oned by Senator Tillman.

Hogg Speaks at St. Louis.

St. LOUIS, Sept. 9.—Ex-Governor
Hogg of Texas addressed 3000 Demo-
crats at Uhrig's cave Monday evening.
His remarks were for the most part con-
fined to the money question, the free
and unlimited coinage of silver. The
governor closed by predicting that New
York would give Bryan and Sevier a
large majority, and Bryan's election
was assured.

A Naval Wager.

MILWAUKEE, Sept. 9.—There is an
election bet standing here which for
originality lays over anything which
has been made thus far. Fred W.
Burke and Albert W. Donaldson are
parties to the wager.

The former agrees to leave this coun-
try forever on or before Jan. 1, 1899, if
William McKinley is elected president,
and the latter will do the country a like
service if W. J. Bryan is elected. They
drew up a contract to this effect, which
they had formally attested by a notary.

Steam Yacht Sunk.

BUFFALO, Sept. 8.—A steam yacht
containing 18 people was swamped off
Elmwood beach. William G. Farthing,
aged 48 years, and Miss Lou Gilbert,
aged 26, were drowned.

Died in Great Agony.

FARMER, O. T., Sept. 8.—New Reliston,
northwest of here, the 1 and 3-year-old
children of John Moore drank a bottle
of carbolic acid and died in a short time
in great agony.

DISGRACEFUL AFFAIR.

Speakers Howled Down at a
Political Meeting.

NO MAN ALLOWED TO TALK.

All This Occurred at Fort Worth at a
Speaking of the Advancement of a Gold
Standard After a Monstrous Parade.
Police Were Powerless to Suppress
the Disorder.

FORT WORTH, Tex., Sept. 9.—The
political parade here last night of
second money followers was the largest
seen in this city for many a day, and
some of the most disgraceful scenes oc-
curred that ever interrupted a political
meeting in this state.

There are various estimates as to how
many persons were in line. Some
placed the number at 5000, some at 6000
and some even as high as 10,000. From
estimates made it is certain that 4000 per-
sons were in the parade. They were
gold Democrats, Republicans and many
persons who belonged to no party.

The march was from the head of
Main street, on down that street and up
Houston to the city hall square, where
the speaking was to take place, and
where a large crowd had gathered.

The programme was opened with a
brass band. Then a glee club sang
"America," and from that time on an
organized band of disturbers made a
continual effort to break up the meet-
ing. The treatment they accorded each
speaker was most disgraceful.

Major Jarvis of Tarrant county, who
is a sound money Democrat, and who
was the first speaker of the evening,
was interrupted and discourteously
treated.

George E. Neis of this city, a promi-
nent Republican, followed, and he was
hooted and jeered until he had to stop
short in his speech, plead for a hearing
from the disturbing faction, and, fail-
ing to obtain this, he sat down finally in
utter disgust.

The police were appealed to but no
protection could be had.
At the conclusion of Neis' attempt to
speak Atwell of Dallas took the stand.
He had not proceeded far until the same
savage sarcastic reflections had been ut-
tered at him. Scoff after scoff, derision
after derision was hurled at him, but
the gentleman from Dallas stood like a
statue, but his voice was drowned amid
the hisses and hoots. Finally he had
to sit down.

Others attempted to speak, but failed,
but finally Chairman Neis declared the
meeting adjourned.

No Convention Yet.

FORT WORTH, Tex., Sept. 9.—Owing
to the fight between Chairman Grant
and Wright Cuney for chairman of the
Republican state convention was not
convened yesterday. It is said it will
meet today.

Senatorial Nomination.

FORT WORTH, Tex., Sept. 9.—The
Republicans of the Twenty-ninth sena-
torial district had their convention here
and nominated C. K. McDowell of Dick-
ens county.

PEARL BRYAN'S MURDERERS.

Jackson and Walling Had Planned to
Break Jail.

CINCINNATI, Sept. 8.—Jackson and
Walling, the Pearl Bryan murderers,
are not hereafter to have the privileges
which have heretofore been accorded
them in the Covington jail. It has been
found that through visitors and gifts of
food a plan for escape had been made
which was to have been carried into ef-
fect at 6 yesterday morning. Jack-
son was discovered in whispered con-
versation with a colored burglar named
Walker. The plot was revealed by an-
other prisoner. Walker was dragged
from his cell and a new revolver was
found in his pocket and a steel saw in
his cell. Several saws were found in
Walling's cell. Jackson's cell was also
searched, but nothing was found there.
Visitors hereafter will be very closely
watched.

MALCARRIERS' CONVENTION.

Two Trainloads Leave Chicago For
Grand Rapids.

CHICAGO, Sept. 8.—Two trainloads of
malcarriers left here yesterday morning
for Grand Rapids, Mich., where they
go to attend the annual convention of
the lettercarriers of the United States.
The Chicago division will be 1000 strong
and will be headed by Postmaster Ho-
ling in the parade. Three bands of
music accompany the party.

White Girl Found Dead.

ARIZONA, Sept. 8.—The dead body of a
little 5-year-old white girl was found in
a pasture on Bear creek, 16 miles south-
west of here. Report says she had been
dead about two days. There were no
marks of violence on her body. A mys-
tery about her is the fact that she was
an utter stranger, and it has been impos-
sible to locate her parents.

Captain Wade Killed.

QUINLAN, Tex., Sept. 8.—Captain H.
W. Wade, an old settler, and one of the
framers of the constitution of Texas,
was thrown from his horse and killed.

Negro Tragedy.

REDS, Tex., Sept. 8.—Near Leland,
four miles from here, a negro named
Henry Durham was killed by another
negro.

TALLYHO WRECKED.

Mr. Person Killed, Four Badly and
Several Slightly Hurt.

WASHINGTON, Ind., Sept. 9.—A
frightful accident occurred late yester-
day afternoon to a coaching party of
young people which started out from
this city. When about five miles north
of this city the horses took fright at
some object in the road. They backed
the rear wheels of the tallyho over an
embankment and the people, horses and
vehicle were rolled down a hillside in a
mangled and bloody mass. Six persons
were killed, 4 badly hurt and others
injured.

The following is the list of the killed:
James Fitzhugh.
Frank Metcalf.
Mary Cumliffe.
Francis Conn.
Agnes Lovest.
Edward Smythe.

The most seriously injured are:
James Holloway, fractured skull.
Frank Donahue, driver, internally in-
ternally injured.

Victor Brice, broken leg.

The remainder of the party escaped
with more or less painful bruises.

One of the horses was killed in the
fall and the remainder had to be shot.

GUILTY, BUT INSANE.

Queer Verdict Rendered by a Jury in
an Alabama Killing.

MONTGOMERY, Ala., Sept. 9.—The
trial of Ed Kennedy, formerly sheriff of
Dallas county, who shot and killed
Percy Wood and seriously wounded his
brother, Martin Wood, at the Louisville
and Nashville depot in this city last
April, was concluded at 10:30 o'clock
last night, when the jury returned
the following verdict:

"We, the jury, find the defendant
guilty as charged but insane at the time
that he committed the crime."

The effect of the verdict is to absolve
Kennedy of the charge of murdering
Percy Wood, but to commit him to the
state insane asylum for insanity until
he shall be adjudged sane by a compe-
tent board of examiners. His dis-
charge from the asylum will follow his
incarceration there in about an hour, so
his lawyers say.

How Alabama Will Go.

SAN FRANCISCO, Sept. 9.—Governor
W. C. Oates of Alabama, who has been
visiting here, said today: "Alabama
will give her electoral vote to Bryan.
Gold Democrats and Republicans, how-
ever, may fuse on congressmen and give
the regular Democratic ticket a hard
fight. The cotton states will all go for
Bryan. The border states are doubtful,
Kentucky in particular, where Palmer
and his ticket will pull a great many
votes from the regular Bryan ticket and
give the Republicans a great chance to
win the state."

Philadelphia Firm Goes Under.

PHILADELPHIA, Sept. 9.—The Look-
wood Manufacturing company, manu-
facturers of patent feeding boxes made
an assignment to James B. Freedland,
secretary. No statement of assets and
liabilities can be obtained, but the fig-
ures are large. The company has \$100,-
000 capital and has been doing business
for 40 years. The plant is finely equipped
with valuable machinery. The com-
pany has done a large business, but late
collections have been dull and business
has fallen off.

Republican Editors at Canton.

CANTON, O., Sept. 8.—The Republi-
can editorial association assembled in Elia's
hall this morning. The editors called
on Major McKinley at 5:30 p. m. The
feature of the afternoon session was an
address by Hon. Charles Emory Smith,
editor of the Philadelphia Press, and ex-
minister to Russia.

Robbed by Masked Men.

CINCINNATI, Sept. 9.—Near midnight
Monday night five masked men with
drawn pistols entered the saloon of
George Zang near Fairmont and robbed
him of \$75, all the cash he had. They
also robbed his customers, but got only
\$2.50 out of them. The robbers escaped
undetected. The victims made no re-
sistance.

Mattress Factory.

FORT WORTH, Tex., Sept. 9.—The
mattress factory on Fifth avenue and
Jackson street was totally destroyed by
fire last night. The fire originated
from the exclusive machines. The plant
was the property of the Fort Worth
furniture company, and valued at \$40,-
000. No insurance.

His Horse Not Placed.

LONDON, Sept. 9.—At the Doncaster
September meeting today Enoch With-
ard's American horse, Damsell II, was
among 15 starters in the race for the
Pittsylvania stakes, but was unplaced.
The winner was sold at auction for
1000 sovereigns was J. Bigg's Ch. M.
Chisholm.

The readers of this paper will be
pleased to learn that there is at least one
dreaded disease that science has been
able to cure in all its stages, and that is
catarrh. Hall's Catarrh Cure is the only
positive cure known to the medical
fraternity. Catarrh being a constitutional
disease, requires a constitutional
treatment. Hall's Catarrh Cure is taken
internally, acting directly upon the
blood and mucous surfaces of the sys-
tem, thereby destroying the foundation
of the disease, and giving the patient
strength by building up the constitution
and assisting nature in doing its work.
The proprietors have so much faith in
its curative powers, that they offer One
Hundred Dollars for any case that it
fails to cure. Send for list of testimoni-

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City
Ia., was told by her doctors she had con-
sumption and that there was no hope for
her, but two bottles of Dr. King's New
Discovery completely cured her and she
says it saved her life. Mr. Thos. Eggen
139 Florida St. San Francisco, suffered
from a dreadful cold, approaching con-
sumption, tried without result every-
thing else then bought one bottle of Dr.
King's New Discovery and in two weeks
was cured. He is naturally thankful. It
is such results, of which these are sam-
ples, that prove the wonderful efficacy
of this medicine in Coughs and Colds.
Free trial bottle at J. P. Byron's drug

Another Record Broken.

DENVER, Sept. 9.—The World's rec-
ord for 20 miles on the road was broken
in Denver in Labor day road race.
Judges have not yet decided whether to
give the title prize to Joe F. Marshall
or E. Taylor Smith. Nor has the time
been definitely decided, although
it will be about 1:23:20. The time prize
would have been won by Max Kreutz
had he not fallen within a few yards of
the finish, causing so much confusion
that the judges became muddled. Nat
M. Gilman, with nine minutes handi-
cap won the race, his time being 1:26:41.

Armstrong Estimates the Majority.

LITTLE ROCK, Sept. 9.—Carroll Arm-
strong, chairman of the Democratic State
Central committee, says the present
indications are that 165,000 votes
were cast at Tuesday's election. The
combined vote of the opposition reached
50,000, giving a majority of 65,000 for
the Democratic state ticket. This, he
says, is double the majority the Demo-
crats received at the elections two and
four years ago.
